

## Pakistan International Bulk Terminal Receives National Environmental Sustainability Award

**Karachi, Pakistan** — Pakistan International Bulk Terminal (PIBT) has been recognized for its outstanding commitment to environmental sustainability, receiving the prestigious **National Environmental Sustainability Award** during the **National Environmental Sustainability Conference & Awards** held recently at the Marriott Hotel, Karachi.

The event was organized by the **Government of Sindh**, to honour organizations demonstrating exemplary contributions toward sustainable environmental practices in Pakistan.

This recognition highlights PIBT's continuous efforts in promoting environmental stewardship and sustainable operational practices within the maritime and logistics sectors.
